3. (1) Subject to this Act, the Minister may, from time to time, by order published in the *Gazette*, appoint a vesting date and on such date all property, rights or liabilities of the Government of Malaysia relating to civil aviation specified by the Minister in such order shall by virtue of this Act be transferred to and vested in the operating company without any conveyance, assignment or transfer whatever.

*NOTE— The title of the office of the Federal Lands Commissioner is now known as the Director General of Land and Mines (Federal) as amended by P.U. (B) 324/1970.

(2) Every property vested by subsection (1) in the operating company shall be so vested in the company for the like title, estate or interest and on the like tenure as the same was vested or held immediately before the vesting date.

(3) Every chose-in-action vested by virtue of subsection (1) in the operating company may, after the vesting date, be sued on, recovered or enforced by the company in its own name and it shall not be necessary for the company or the Government of Malaysia to give notice to the person bound by the chose-in-action of the vesting effected by subsection (1).

liabilities thereunder could be assigned by the Government of Malaysia, shall have effect as if the company had been a party to the agreement.

Initial Government holding in the operating company

4. (1) As a consequence of the vesting in the operating company of the property, rights and liabilities under section 3, the company shall issue such securities of the company as the Minister of Finance may, after consultation with the Minister, from time to time direct to the Corporation.

(2) Securities required to be issued in pursuance of this section shall be issued or allotted at such times and on such terms, as to allotment, as the Minister of Finance may, after consultation with the Minister, direct.

(3) Shares issued in pursuance of this section—

(a) shall be of such nominal value as the Minister of Finance may direct; and

(b) shall be issued as fully paid and treated for the purposes of the Companies Act 1965 [Act 125] as if they had been paid up by virtue of the payment to the operating company of their nominal value.

Appointment of Government representatives on the board of the operating company

6. (1) The Minister of Finance may, from time to time, for so long as the Government of Malaysia holds not less than five per cent of the entire issued securities in the operating company, after consultation

with the Minister, nominate such number of persons as may be appropriate to be directors on the board of the company.

(2) The operating company shall cause every person nominated by the Minister of Finance under subsection (1) to be appointed to the board of the company.

(4) For the purpose of determining the number of persons to be appointed as directors of the operating company under subsection (1), the Minister of Finance shall have regard to the total number of securities held by the Government of Malaysia and the total number of directors appointed or proposed to be appointed by the company to its board, at the time of such nomination.

(5) Nothing in this section shall be construed so as to affect any power, right or privilege which may be conferred on the Government of Malaysia by the constituent documents of the operating company.

Financial structure of the operating company

7. (1) If the Minister of Finance, after consultation with the Minister, so directs at any time before the operating company ceases to be wholly owned by the Government of Malaysia, such sum, not exceeding the accumulated realized profits of the company, as may be specified in the direction shall be carried by the company to a reserve, which in this section is referred to as “the statutory reserve”.

(2) The statutory reserve may only be applied by the operating company in paying up unissued shares of the company to be allotted to members of the company as fully-paid bonus shares.

(3) For the purposes of any statutory accounts of the operating company the value of any asset or right or the amount of any liability of the Government of Malaysia taken to have been vested in the company by virtue of section 3 in any particular year shall be taken to be the value or, as the case may be, the amount assigned to that asset,

right or liability by the Government of Malaysia before the vesting date.

(4) References in this section to the statutory accounts of the operating company are references to any accounts prepared by the operating company for the purposes of any provision of the Companies Act 1965.
