(3) For the purposes of any statutory accounts of the successor company, the value of any asset or right or the amount of any liability of the Perbadanan Pembangunan Bandar, taken to have been vested in the successor company by virtue of section 3 shall be taken to be the value or, as the case may be, the amount assigned to the asset, right or liability in the statement of accounts prepared by the Perbadanan Pembangunan Bandar, in respect of the last complete accounting year of the Perbadanan Pembangunan Bandar, ending before the vesting date.

(4) For the purposes of any statutory accounts of the successor company, the amount to be included in respect of any

(5) Without prejudice to the generality of subsection (4), the amount to be included from time to time in any reserve of the successor company as representing its accumulated realized profits shall be determined as if any profits realized and retained by the Perbadanan Pembangunan Bandar, had been realized and retained by the successor company.

(6) References in this section to the statutory accounts of the successor company are references to any accounts prepared by the successor company for the purposes of any provision of the Companies Act 1965.
